

STUDIO 190

JBL® Studio 190 dual 6" (160mm) floorstanding loudspeaker

JBL® Studio 1 series speakers combine legendary JBL performance with our exclusive brand-new “Weave” styling to create a speaker line that looks as stunning as it sounds. Proven PolyPlas™ woofer and midrange drivers and CMMD® Lite tweeters create exceptional sound, while 3/4" (19mm)-thick medium-density fiberboard (MDF) enclosures dressed in black vinyl become a welcome addition to almost any décor.

FEATURES	ADVANTAGES	BENEFITS
Dual 6-1/2" (165mm) low-frequency transducers	Dual woofers	<ul style="list-style-type: none"> • Create strong bass output
	Ribbed PolyPlas cones	<ul style="list-style-type: none"> • Ribs improve strength for low-distortion bass performance • Inherent stiffness reduces distortion further • Light weight allows for precise cone movement, so bass instruments sound crisp, not boomy
	Rubber surround	<ul style="list-style-type: none"> • Delivers maximum cone excursion for increased bass output with minimal distortion
	Video-shielded	<ul style="list-style-type: none"> • Can operate next to any TV without distorting picture • Maximizes installation options
4" (100mm) midrange transducer	PolyPlas cone with cloth surround	<ul style="list-style-type: none"> • Inherent stiffness of PolyPlas cone reduces distortion • Light weight allows for precise cone movement, maximizing clarity of sound, especially voices
	Dedicated midrange chamber	<ul style="list-style-type: none"> • Prevents woofer's rear sound wave from interfering with midrange sound • Reduces distortion and improves clarity of voices and instruments
	Video-shielded	<ul style="list-style-type: none"> • Can operate next to any TV without distorting picture • Maximizes installation options
1" (25mm) high-frequency transducer	CMMD Lite dome	<ul style="list-style-type: none"> • Extreme stiffness and damping eliminate unwanted resonances for clear, extended high-frequency performance
	JBL Bi-Radial® waveguide	<ul style="list-style-type: none"> • Optimizes tweeter radiating pattern to provide a broader soundstage
	Video-shielded	<ul style="list-style-type: none"> • Can operate next to any TV without distorting picture • Maximizes installation options
Exclusive JBL “Weave” design	Unique styling	<ul style="list-style-type: none"> • Dynamic and modern appearance
